## Céard í Faisnéis Fíor-ama?

Taispeánfaidh Faisnéis Fíor-ama duit cén uair a shroichfidh do bhus an stad bus ionas gur féidir leat do thuras a phleanáil níos fearr.

## Conas mar a oibríonn sí?

Tá busanna feistithe le ríomhaire, córas loingseoireachta GPS agus raidió a chuireann ar a gcumas a gcuid suíomh a thuairisciú do ríomhaire lárnach. Déanann an ríomhaire lárnach meastachán ansin ar cé chomh fada is a thógfaidh sé don bhus gach stad bus ar feadh an bhealaigh a shroicheadh.

## Conas ar féidir liom Faisnéis Fíor-ama a fháil?

Is féidir leat rochtain a fháil ar Fhaisnéis Fíor-ama i roinnt bealaí éagsúla ag brath ar cá bhfuil tú nó céard a oireann duit. An bealach is éasca le rochtain a fháil ar Fhaisnéis Fíor-ama ná uimhir stad an bhus a iontráil ar [dublinbus.ie](http://dublinbus.ie) nó [TransportforIreland.ie](http://TransportforIreland.ie), trí theachtaireacht téacs a sheoladh nó trí Apanna Bhus Átha Cliath a úsáid.

## Conas a fhaighim uimhir stad an bhus?

Gheobhaidh tú í ar barr an stad díreach faoi bhun siombail chaisleáin Bhus Átha Cliath.

## What is Real Time Information?

Real Time Information will show you when your bus is due to arrive at your bus stop so you can plan your journey more accurately.

## How does it work?

Buses are equipped with an onboard computer, GPS navigation system and a radio which allows them to report their position to a central computer. The central computer then estimates how long the bus will take to reach all bus stops along the route.

## How can I get Real Time Information?

You can access Real Time Information a number of different ways depending on where you are or what suits you. The easiest way to access Real Time Information is by entering your bus stop number on [dublinbus.ie](http://dublinbus.ie) or [TransportforIreland.ie](http://TransportforIreland.ie), by texting on your phone or by using the Dublin Bus Apps.

## How do I find my bus stop number?

You can find it on the top of the stop just below the Dublin Bus castle symbol.

Mura bhfuil tú in ann uimhir stad an bhus a aimsiú, is féidir cuardach a dhéanamh trí úsáid a bhaint as ceann de na roghanna cuardaigh malartacha ar aon leathanach sa rannóg Faisnéis Fíor-ama:

**Cuardaigh de réir Bealaigh Bhus:** Má theastaíonn uait cuardach a dhéanamh de réir Bealaigh Bhus, cuir isteach uimhir an bhealaigh atá ag teastáil uait, mar shampla uimhir 14, agus cliceáil ar ‘Téigh’. Ansin roghnaigh an treo taistil. Tabharfar liosta stadanna duit le roghnú. Roghnaigh stad trí ‘breathnaigh’ a roghnú chun Faisnéis Fíor-ama ag an stad sin a fheiceáil.

**Cuardaigh de réir Seoladh Stad an Bhus:** Mura bhfuil uimhir stad an bhus ar eolas agat go fóill, is féidir cuardach a dhéanamh trí sheoladh sráide a chur isteach sa bharr agus cliceáil ar ‘Téigh’. Ansin roghnaigh stad trí ‘Breathnaigh’ a roghnú chun Faisnéis Fíor-ama ag an stad sin a fheiceáil.

**Cuardaigh de réir Léarscáile:** Ar deireadh, is féidir é seo a roghnú chun stad bus a chuardach ag baint úsáide as an léarscáil. D’fhonn stad bus a aimsiú, zúmáil síos chuig an leibhéal is ísle áit a bhfuil na stadanna bus uile léirithe. Chun bogadh go ceantar difriúil peanáil timpeall ar an léarscáil nó zúmáil amach arís, agus ansin zúmáil isteach chun na stadanna bus a thaispeáint. Tar éis stad bus a roghnú ón léarscáil, osclaíonn fuinneog ar leithligh don stad bus sin a liostaíonn na chéad busanna eile a bheidh ag fágáil.

**Nuair a roghnaíonn tú stad bus – céard a tharlaíonn ansin?**

Léiríonn leathanach na dtorthaí na bealaí bus a úsáideann an stad mar aon le ceann scríbe gach bus, am tuartha gach bus agus cibé an bhfuil an bus inrochtana le hurlár íseal. D’fhéadfadh sé a thaispeáint freisin go bhféadfadh moill a bheith ar an mbus le comhartha ‘!’. Ar barr tá an t-am ar sheol an córas an fhaisnéis le feiceáil. Is féidir ‘Athnuachan’ a bhrú chun torthaí níos nuashonraithe a fháil.

If you can’t find your bus stop number, you can search by using one of the alternative search options on any page within the Real Time Information section:

**Search by Bus Route:** If you want to search by Bus Route, simply enter the number of the route you want, say the number 14, and click ‘Go’. Then choose the direction of travel. You’ll get a list of stops to choose from. Pick a stop by selecting ‘view’ to see Real Time Information at that stop.

**Search by Bus Stop Address:** If you don’t know your bus stop number yet, you can search by entering a street address into the bar and clicking ‘Go’. Then pick a stop by selecting ‘View’ to see Real Time Information at that stop.

**Search by Map:** Finally, you can select this button to search for a bus stop by using the map. In order to locate a bus stop, zoom down to the smallest level where all bus stops are displayed. In order to move to a different area either pan around the map or zoom back out, and then zoom back in to display the bus stops. After selecting a bus stop from the map, a separate window opens for that bus stop listing the next departures.

**When you select a bus stop - what happens then?**  
The results page shows you the bus routes using the stop as well as the destination of each bus, the predicted time of each bus and whether the bus is low-floor accessible. It may also show you that the bus may be delayed with an ‘!’ sign. At the top is the time that the information was sent by the system. You can press ‘Refresh’ to get more up to date results.
